Theme: 'Reading Takes You Places'

ARTISTIC THEME - 'READING TAKES YOU PLACES'

This year's theme invites you to illustrate the limitless power of reading to move us – not only across places and time, but also through emotions, ideas, and perspectives. Where can a book take you? Into adventure, wonder, reflection, or transformation?

Let your artwork capture the way reading expands horizons and unlocks new destinations, both real and imagined. Show us the journey you embark upon when you open a book.
